How to Do Payroll in Michigan

Use this downloadable checklist to help you stay on track!

~	TASK
	Step 1: Set up your business as an employer.
	To register your business for withholding and unemployment taxes in Michigan, you must have a <u>Federal Employee Identification Number</u> (EIN). Although it's not required, we also encourage you to enroll in the <u>Electronic Federal Tax Payment System</u> (EFTPS), making it easy to pay your federal taxes online or over the phone.
	☐ Applied for a Federal Employer Identification Number (EIN)☐ Enrolled for the Electronic Federal Tax Payment System (EFTPS)
	Step 2: Register with the state of Michigan.
	At the state level, you need to register with the Michigan Department of Revenue. To do so, you need to complete the Michigan Tax Application. You can fill out the application online at the Michigan Department of Treasury website.
	You also have to register locally. You should contact the local city office for business registration and income tax registration each time you need to register in one of the following municipalities:
	Albion, Battle Creek, Benton Harbor, Big Rapids, East Lansing, Flint, Grayling, Hamtramck, Hudson, Ionia, Jackson, Lansing, Lapeer, Muskegon, Muskegon Heights, Pontiac, Port Huron, Portland, Springfield, and Walker.
	Detroit, Grand Rapids, Highland Park, and Saginaw also levy local taxes—at different rates for residents and non-residents.
	Step 3. Set up your payroll process.
	You'll need to decide how often you're planning to pay employees, if you need to track work hours, which payroll forms you need to collect and when, how you'll perform payroll calculations, and so forth. To do this, you have three options (check off which option you're electing to use for tracking purposes):
	 □ Do payroll yourself □ Use Excel payroll templates

☐ Sign up for a <u>payroll service</u>
Step 4: Collect employee payroll forms.
The best time to collect payroll forms is during your new hire orientation. Required payroll forms for Michigan employees will include: Federal Form W-4
Step 5: Collect, review, and approve time sheets.
You'll need to collect timesheets for all hourly employees and non-exempt salaried workers. To do this, you have three options to use (check off which option you're electing to use for tracking purposes):
 □ A paper timesheet □ Free or low-cost time and attendance software □ A payroll service that has a time and attendance system
Step 6: Calculate employee gross pay and taxes and pay employees.
 Calculate Gross Pay Calculate FICA, FUTA & Income Taxes to withhold/pay Perform any other payroll calculations, i.e., for expense reimbursement Calculate net payroll Decide to pay using check, paycard, direct deposit
